

DELIVERED

 MAR2016

Welcome to Intact Projects new newsletter called 'DELIVERED'.

Intact Projects have just celebrated our milestone 'Sweet 16' years in business and in doing so, we have undergone some major changes.

Our team at Intact Projects have been rather busy these past few months delivering quality commercial interiors, as well as relaunching our brand. This involved redesigning and developing a new look, along with an exciting new website. You may have also noticed our innovative new logo.

We hope you like the new look and feel as much as we do!
