

# DELIVERED

 JUN 2018

The Property Industry Foundation held their Annual Charity Yachting Regatta earlier this year, in which Intact Projects sponsored and participated as 'spectators' in this important industry event. A fun filled exhilarating yacht race out on Sydney harbour. The event helps raise funds to build safe homes for the homeless and also provides vital support for young people.

Intact Projects are proud in donating to such charitable organisations that help the disadvantaged.

Take a look at some of our completed projects on our website <http://www.intactprojects.com/>  
Below is an example of our work.

**CLIENT.** CSC CANBERRA

**DURATION.** 4 MONTHS

**SIZE.** 7000M<sup>2</sup>

Commonwealth Superannuation Corporation is trustee of eleven superannuation schemes looking after the needs of Australian Government employees and members of the Australian Defence Forces.

Intact Projects was engaged as a Head Contractor to deliver CSC facility in Canberra. Intact worked closely with Project Managers MSP, Designers PVH and Service Engineers Rudds.
