

DELIVERED

MAR2017

Welcome to 2017! A new year with new beginnings and for some people who set themselves a new years resolution, that may include looking for the next challenge.

Intact Projects value our staff and believe in rewarding and acknowledging our talented team. We strongly encourage our staff to strive for excellence and for this reason we have proudly promoted Paul Turney to Construction Manager, Steve Reaby & Peter Skourtis to Project Manager's and Mirko Dozan to Site Manager.

In addition we have recruited a new employees to our team, Bruce Kent - Estimator. Congratulations guys on your new appointments!

We are excited to showcase another example of our successfully completed project.

CLIENT. FACEBOOK
PROJECT MANAGERS. JLL
DESIGNERS. GENSLER

Facebook is an American corporation and Online social media and social networking services developed by Mark Zuckerberg to keep people connected worldwide.

Intact Projects were engaged as a Head Contractor to complete Facebook's premises in Melbourne.

Intact Projects worked closely with PM: JLL and Designer: Gensler.

The brief was to incorporate some of Melbourne's famous.....
