

DELIVERED

 SEP2016

Intact Projects believe in supporting our community through various charities, sponsorships and fundraisers. This year is no exception. We proudly supported Andreas Antoniadou in his quest to raise funds for NSW Police Legacy by participating in the charity roady cycling ride from Sydney to Canberra.

NSW Police Legacy provides financial assistance and social programs to the spouses and dependant children of police officers who have given their lives in the line of duty.

A truly worthy cause for the fallen men & women who serve our community.
